BECOMING A SHAREHOLDER

Applying for Shareholder Membership couldn't be easier; all you need to do is complete and return the application form, make payment of £1 and, provided you meet the criteria, you'll be a fully-fledged member!

All we ask is that you make every effort to attend our Annual General Meetings (or submit your proxy vote if you are unable to) and generally help us be the best we can be.

We actively encourage tenants of MHA and independent community members* to become a Shareholding Member. This is your way of getting involved in moulding key decisions that will direct the business and services provided.

Being a Shareholding Member will allow you to:

- Vote on the appointment of new Community Voice Committee members
- Vote on the appointment of the auditors of the association. The auditors place checks on the company to ensure that all actions taken by the business are legitimate.
- Receive and approve the annual accounts and financial statements, the annual report and the Chief Executive's report. These statements are critical to ensuring that company performance is transparent
- Keep updated on news and learn about MHA's yearly achievements.

*For eligibility and more information please refer to the Shareholder Membership Policy available on our website.

The information on this form will be stored electronically to enable us to administer our shareholders register. Personal data is used to help manage communications with shareholders and our legal basis for processing your data are:

- Our legitimate interest to manage communications & keep you informed
- To comply with our legal obligations
