What is Pitch?

Pitch is an annual Monmouthshire Housing community grant scheme, where projects that are passionate about building stronger communities and having a positive impact on Monmouthshire Housing Tenants, are able to apply for a share of **£25,000**. The project must have an objective to deliver a wide range of benefits to the community such as economic, social, health and wellbeing, educational or cultural.

There are 2 types of pitches to go for; Firstly, Pitch for a little bit with grants of up to **£500** which can be awarded without you pitching to judges; Secondly, Pitch for a Little Bit More with grants available for **£501 - £3,000**.

Who can apply?

You can apply for the opportunity to Pitch to our judges if you are a community group, not for profit group, Health body, charity or school. Your project must first and foremost be of benefit to Monmouthshire Housing Tenants. The projects that we are looking for must help create strong communities, improve services within the community and also increase people's aspirations. If you are unsure you're eligible to apply, please call Rob Carey on **07841 183893** or email **engagement.team@monmouthshirehousing.co.uk**

How and when can your project apply

To apply all you need to do is follow [this link](#) to complete the online application form or complete the form in this document.

Pitchers for 'a little bit' up to £500 will not be required to pitch to the judging panel - awards will be decided at the shortlisting stage.

Applications are accepted during the open round stage. If you wish to submit an application out of this time, we will hold your application until it opens and then contact you for your approval for the continuation of your application. Following your application being submitted, it is subject to shortlisting by a panel made up of MHA staff, tenants, independent body member and a previous winner. If your application is successful in making it to the next round you will be invited to 'Pitch for Your Project' in front of our friendly panel of judges. The panel of judges will consist of a Monmouthshire Housing Staff member, Community representative, and independent body member and previous winner.
